Fresh launches, new ideas – it’s an exciting time at Mainline!

At Mainline, we have been proudly supplying high-quality mouldings, mountboard and glass to customers across the UK for over 29 years. Recently we launched a cut-to-size service across our glass, acrylic and MDF ranges which is proving to be a very popular addition.

Our focus is on delivering exceptional service, reliability, and value. The Mainline team would be delighted to work with you and demonstrate why so many customers trust us as their preferred supplier.

We’re bursting to share our latest mouldings with you!

Since our whopping 340 page catalogue dropped in 2024, we’ve added a load of fresh new mouldings – so we’ve whipped up a brand-new supplementary brochure to show them off. Whether it’s the uniquely creative Art Attack, the quiet sophistication of Laszlo or the blank canvases of our unfinished collection ready for your inspiration, our latest additions are anything but ordinary.

To request your copy of Mouldings 26, please email us at: sales@mainlinemouldings.com.

Looking for it all? From Wood to Polcore and everything in between – find the full range online at mainlinemouldings.com.
