Mainline Mouldings hereby declares that our **MDF sheet (including cut to size) products** listed are compliant with the European Union's **REACH Regulation (EC) No 1907/2006** (Registration, Evaluation, Authorisation and Restriction of Chemicals).

1. Substances of Very High Concern (SVHC)

Based on the official declarations and technical dossiers provided to us by our **direct manufacturing suppliers**, this product does not contain any of the Substances of Very High Concern (SVHC) listed on the ECHA Candidate List in concentrations exceeding the threshold limit of **0.1% by weight**.

2. Formaldehyde Emissions (REACH Annex XVII, Entry 77)

In accordance with Commission Regulation (EU) 2023/1464, our suppliers have verified that the listed **MDF products** comply with the mandatory **E05 emission standard**. The product does not exceed the maximum allowable formaldehyde emission limit as measured under the standardized reference test conditions (e.g., EN 717-1) required for wood-based materials and furniture.

We maintain active communication with our supply chain to ensure ongoing compliance and will update this declaration should any changes to the product formulation or REACH regulations occur.
